

• PSYCHUNALYSIS •

CONSCIOUS

↳ all the actions and processes we are AWARE of

- ex: being thirsty and going to get a drink

"You're on a diet."

- learned
- inhibits urges

SUPEREGO

EGO

"Eat a small bar of chocolate"

- organized
- rationality

PRECONSCIOUS

↳ all the thoughts and feelings that we are not presently thinking about but can be easily brought to attention

- ex: being able to remember your phone number

ID

"I want a bar of chocolate!"

- innate
- seeks immediate gratification

UNCONSCIOUS

↳ reveals the information that we often find too disturbing to be actively aware of and think about

- PRIMITIVE URGES
- INSTINCTUAL FEELINGS
- ANSWERS "WHY"

* Freudian Slip

an unintentional verbal error regarded as revealing unconscious thoughts

ex: saying "cock porn" instead of "popcorn"
